Brasília, DF - Brazil

Research Interests

Macroeconomics; Fiscal Policy; Public Finance; Economic History; Latin America

Education

- 2023 – 2027 **Ph.D. in Economics**, University of Brasília (UnB), Brazil | GPA: 3.9/4.0
Thesis: *Essays About the Long-Term Effects of Macroeconomics Shocks in Latin America*
Advisor: José Guilherme de Lara Resende, Ph.D.
- 2021 – 2023 **M.Sc. in Economics**, University of Brasília (UnB), Brazil | GPA: 3.9/4.0
Thesis: *Productive and unproductive public spending: Evidence for a panel of Brazilian states*
Advisor: Marina Delmondes de Carvalho Rossi, Ph.D.
- 2015 – 2020 **B.A. in Actuarial Science**, University of São Paulo (USP), Brazil

Supplementary Academic Education

- 2024 **Development Policy Studies Program for Latin America and the Caribbean (ELADES)** Economic Commission for Latin America and the Caribbean, United Nations (ECLAC, UN), Santiago, Chile – 07/2024–08/2024
Participated for two months in a regional research training program focused on Latin American development policy.

Current Positions

- 07/2023 – **Consultant**, Inter-American Development Bank (IDB)
present Conducted technical studies on public finance, supporting fiscal sustainability strategies in Brazil and Latin America. Collaborated with strategic government counterparts — from federal ministries to state and municipal authorities — in the design and evaluation of fiscal policy initiatives.
- 01/2023 – **Ph.D. Candidate**, University of Brasília (UnB)
present Conducting research on the long-term effects of macroeconomic shocks in Latin America

Previous Experience

- 2024 **Project Assistant**, Insper – Teaching and Research Institute
Support in designing curriculum revision for undergraduate programs in Economics and Business Administration, integrating international best practices to enhance academic quality and align with market demands.
- 2023 **Economist**, National Confederation of Municipalities (CNM)
Developed fiscal studies and technical briefs for CNM, the largest municipalist organization in Latin America, supporting over 5,000 municipalities in Brazil. Provided technical assistance to local governments and engaged with mayors, finance secretaries, and federal agencies to improve subnational fiscal management.
- 2023 **Research Assistant**, University of Brasília (UnB)
Research Assistant to Prof. Tomás Martinez, Ph.D., supporting statistical analysis of Brazilian labor market data in the project “*Minimum Wage, Business Dynamism, and the Lifecycle of Firms*”.
- 2022 **Short-Term Consultant**, Inter-American Development Bank (IDB)
Performed comparative analysis of economic indicators and fiscal strategies in selected Latin American economies.
- 2022 **Research Assistant**, University of Brasília (UnB)
Research Assistant to Prof. Marina Delmondes de Carvalho Rossi, Ph.D. on the project “*The Fiscal Multiplier for Brazilian states*”.
